ABOUT THE COVER . . .

It's that time of year again. The bright colors, the marching band, hard fast action on the field and the hopes of winning all blend together to make up what we all look forward to—the new football season.

Tonight's Game

Kearney Here for Opener

Tonight's football game pits the Fort Hays State Tigers against the Kearney (Neb.) State College Antelopes in a traditional battle between the two schools. FHS and Kearney have been locking up in football wars since 1926 and fans are always treated to some fine football action when the two teams come together.

Kearney State comes into the games with two early-season wins. Coach Allen Zikmund's chargers dropped Eastern Montana 34-14 in their season opener, then came back last week to bomb the Washburn University Ichabods 55-6. Zikmund used 73 players in an attempt to hold the score down but the young Antelopes were more than eager to show their wares to the home folk.

The visiting Antelopes bring to Lewis Field Stadium one of the most potent offenses in small college football. The Nebraskans are averaging 383.5 yards per game on the ground and close to 100 yards a game through the air. The leading ground gainer is junior quarterback Rich Osentowski who has picked up 198 yards on 24 carries. He has also completed 7 of 14 passes for 144 yards.

Kearney will bring a big, strong squad into the fray. Coach Zikmund thinks his squad is still young and maybe a year away from championship caliber. But with two important wins under their belts, it looks as if this year's squad could become one of the school's best.

FHS comes into tonight's encounter seeking its first win of the young season. The Tigers dropped a 27-20 decision to Southwestern Oklahoma State College last Saturday at Weatherford. The Bulldogs lived up to preseason expectation and showed themselves a strong, veteran crew.

FHS, on the other hand, proved it is still reminiscent of the teams of the past few seasons with a fine second half effort which included good defensive work, a potent offensive drive and great desire to win. Tiger head coach Wayne McConnell, though not entirely satisfied with his team's performance, said he feels the potential is there for another good Tiger football team.

Leading the charge in the first game was the running of Rich Dreiling and Ron Goates and the passing of Leo Hayden along with a fine effort from the defense.

President's Welcome

A hearty welcome to all of you who are in attendance for the first home game of the 1967 football season. A special welcome to all parents and to the business and professional men and women of Hays who have participated in the College Appreciation Days. The fine support of all Fort Hays State football fans has been a definite factor in the successful seasons we have had in the past.

Our first two non-conference games are against two of the outstanding college teams in their respective states. Our team made a fine showing against Southwest Oklahoma. I am sure that they will present fine opposition to our opponents this evening. These two games will prepare us for our strong CIC conference opponents and will better condition us for the competition ahead.

We shall miss the names, numbers and faces of some of the outstanding athletes from last year, but our coaches assure me that we have another fine squad. You will soon become acquainted with the names and numbers of some outstanding players on this year's squad.

I hope that each of you will plan to see the fighting Tigers in action throughout the season. I am sure that you will be backing a team of which all of us can be justly proud. Plan to come back often for you are always welcome. We are always happy to have you attend any and all of our college activities.

Sincerely yours,
M. C. Cunningham
President

Coach McConnell

Head football coach Wayne J. McConnell, in his third decade of coaching, is in his 12th season at Fort Hays State this fall.

At FHS, his 11 teams have compiled a record of 44 victories, 50 losses and four ties. Last year's team was his most successful, charting a 7-2 mark and a tie for the conference crown. His 1957, 1958 and 1961 teams finished right on the .500 mark, the record in 1962 was 6-2-1, the record in 1964 was 5-4 and his 1965 squad finished 6-3.

Prior to coming to FHS, he coached for six years at College of Emporia, where his teams were undefeated in regular season play in 1951, 1953, 1954 and 1955, and McConnell was named Little All-American Coach of the Year by the Rockne Foundation in 1953.

Mac earned his bachelor's degree at Washburn University in 1934 and was a social welfare worker in Topeka until 1941, when he entered the Army for two years.

Following the service stint, he taught and coached in high schools at Effingham (three years), Gavlord (one year), Downs (two years) and Manhattan (one year) before moving to C of E. His coaching record after 24 seasons stands at 113 victories, 74 defeats and seven ties.

Wayne earned his master's at Emporia State in 1954 and is an associate professor of physical education on the FHS faculty.

All of a sudden he's grown up.

One day you'll say, "He's his own man now." And you'll know the way was not easily found.

Of one thing you can be sure. He'll need all the education he can get — college, certainly, possibly even graduate school.

But there's a problem. Colleges are crowded and enrollments are growing. More classrooms, laboratories, libraries, good teachers will be needed.

These take money. So, give to the college of your choice now and help make certain college will be ready when he is.

Enrich his future—and America's.

Harriers To Defend Title

Fort Hays State College cross country coach Alex Francis greeted five returning lettermen and 12 other candidates last week when practice for the defending CIC champions officially got under way.

Francis, in his 22nd year as head track and field coach and his 12th year as head cross country coach at FHS, says his squad is young but that he feels the ability and desire is there.

Heading the list of returning lettermen is Phillipsburg senior John Mason. The holder of numerous school distance running marks, he will be counted on to lead the Tiger charge to a fourth consecutive CIC cross country crown.

An NAIA cross country All-American and NAIA track and field All-American, Mason is the defending CIC individual champ and finished second in the NAIA affair last season.

Backing Mason are lettermen Bruce Zamrzla, Salina junior; Gerald Shelly, Ford sophomore; Neal Cleaves, Johnson senior; and J. D. Glazier, Salina sophomore.

The 1967 cross country schedule:

Sept. 23	Kearney dual	Kearney
Sept. 30	Wichita State Invitational	Wichita
Oct. 7	Oklahoma State Jamboree	Stillwater
Oct. 14	Emporia State dual	Hays, 2 p.m., four miles

Tonight's Opponent-Kearney Neb. State

Gary Thompson

Grant Sparks

Kearney (Neb.) State College, a rival of the Fort Hays State Tigers since 1926, represents the opposition in this evening's football game.

Kearney State College was founded in 1905 as the Normal School of the West, the second teachers college in the state of Nebraska. For many years, it was known as Kearney State Teachers College, but the "teachers" was dropped by Legislative act in 1963.

Enrollment in the largest of the four state colleges this fall will be more than 5,000. Kearney State is growing rapidly, having only 1,800 students just 10 years ago.

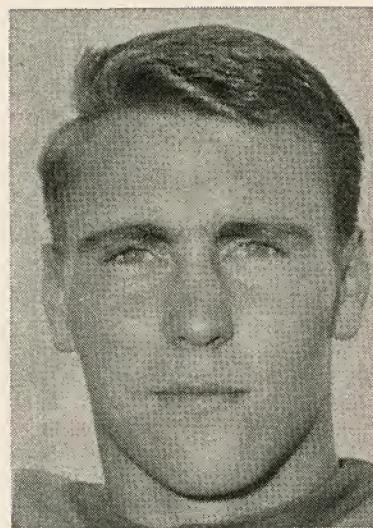

The college offers four bachelor's degrees and a master of science degree. All degree programs are accredited by the North Central Association and the National Council for the Accreditation of Teacher Education. More than 675 students received their degrees from Kearney last year.

Growth is evident in other areas as well. Since 1955 at least one new building has been occupied each year. Completed during the decade have been Cushing Coliseum, Calvin Ryan Library, W. E. Bruner Science Hall, Nebraskan food center, Otto C. Olsen Vocational Arts, Student Union, and eight residence halls.

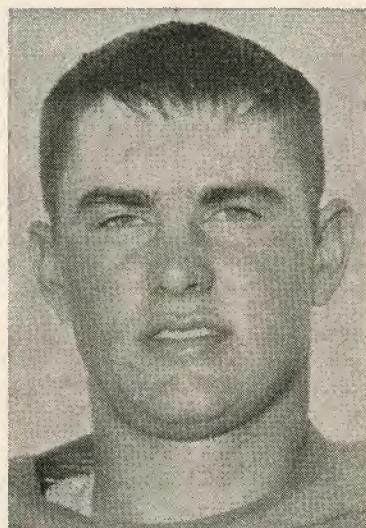

Cushing Coliseum, completed in 1961, is one of the best equipped buildings in the Midwest. It contains classrooms, an indoor 220-yard track, basketball courts, an indoor olympic-size swimming pool, offices, and locker space.

The head football coach at Kearney State is Allen Zikmund, a veteran of 13 years at the Nebraska institution. Zikmund's career record going into the 1967 season is 89-20-1. His assistants are Barry Allen, Fred Gerhardt, Bob Hauver, Les Livingston and Larry Timmermans.

Charlie Foster has been athletic director at Kearney State for 22 years. The sports information director for the Nebraska school is Don Briggs. Kearney's colors are royal blue and old gold and the team nickname is "Antelopes." Zikmund's chargers operate from a multiple-T offense system and the Antelopes are members of the Nebraska College Conference.

'68 Chevrolets

Dramatic!
Distinctive!
Daringly new!

Expect a lot of never-befores and nice-to-haves from Chevrolet for 1968. You can count on nothing being newer. Formal and fastback roof lines. Elegant new interiors with exciting colors, fabrics, and easy-to-reach instruments. Concealed headlights, Hide-A-Way windshield wipers, and refreshing Astro Ventilation, available on many models.

NEW SILENT RIDE.

More effective body and engine mounts, quieter exhaust systems, and further improved shock absorbers. The result? Every new Chevrolet rides incredibly smooth and silent.

NEW MODELS, TOO.

Like the elegant Impala Custom Coupe and rugged new Chevelle Nomad Station Wagons. For the serious sports fan, there's the completely re-styled Corvette Sting Ray, and the Chevelle SS 396 with long-hood short-deck styling and a wider wheel

stance to make it cling to the road better. Camaro, "The Hugger," features Astro Ventilation, and special hood on all SS models. What's more, there's a larger 307-cubic-inch V8 standard on Chevrolet, Chevelle and Chevy II models for '68. And on automatic transmission models, there's even a built-in heater that warms air en route to the carburetor and increases engine efficiency during cold weather. The new GM exhaust emission control is standard.

PROVED SAFETY FEATURES.

The famous proved GM-developed energy absorbing steering column and many other popular safety items are back again. Plus new features like energy absorbing front seat backs, safety armrests that shield door handles, padded windshield pillars, and seat belts for all passenger positions. Be smart. Be sure. Buy now at your Chevrolet dealer's.

Free! Get Chevrolet's 60-page College Football Handbook

Chevrolet's College Football Handbook contains a complete run-down on all the top teams, plus action photographs and inside stories by famous sports commentators. You'll also find the schedules and line-ups of all 33 NCAA games to be televised this fall. It's yours for the asking at your Chevrolet dealer's.
